This is a list of internal combustion engines models manufactured by the Honda Motor Company

### **List of Honda engines - Wikipedia**

The GM Generation I and Generation II (LT) engine families are both derived from the longstanding Chevrolet small block V8. The Generation III small-block V8 was a "clean sheet" design, which replaced the Gen I and Gen II engine families in 2003 and 1996 respectively.. Like the previous two generations, the Buick and Oldsmobile small blocks, the gen III/IV can be found in many different brands.
