Ninth grade, freshman year, or grade 9 is the ninth post-kindergarten year of school education in some school systems. Ninth grade is often the first school year of high school in the United States, or the last year of middle/junior high school. Students are usually 14-15 years old. In the United States, it is often called Freshman year.

My passion is to create math resources that will help equip students with the tools to be successful learners in the classroom and beyond. My goal here at TpT is to help teachers save time in developing resources for their classrooms and focus more on what they do BEST - that is to teach, guide, mentor, and inspire kids.

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

"I have been in TPS Math from Pre-Algebra to AP Calculus, and the teachers do a wonderful job of teaching and explaining the concepts. When a student has a question, or does not understand something fully, the teacher will help the student to fully grasp the concept before moving to another part of the lesson.
