It was an okay read just to get a taste of the Baumgartners world to see if I'd want to get the others. While I probably won't be reading the others, I would recommend reading at least one of the 6 books in this series because the Baumgartners are an unusual and interesting family.

review 1: Great book, fast read. Phenomenal sex and ménage scenes were intense. Mr. And Mrs. B awakened the desire in Ronnie. God this book had me so hot at time I was dying! The epilogue had me a little sad and I kind of figured the B's would hire Gretchen but I really liked the dynamic of the B's with Ronnie.
