Philippine Business Bank (also known as PBB) is a Filipino savings bank which focuses on corporate and small and medium enterprises markets. It provides close to a full range of banking services and products including cash management, retail and corporate lending, deposit products, international trade finance, treasury and trust products.

### **Philippine Business Bank - Wikipedia**

Microfinance initially had a limited definition - the provision of microloans to poor entrepreneurs and small businesses lacking access to bank and related services. The two main mechanisms for the delivery of financial services to such clients were: (1) relationship-based banking for individual entrepreneurs and small businesses; and (2) group-based models, where several entrepreneurs come ...
