It's true in higher education, it's true in law firms, it's true in hospitals (it's even true in monarchies!): women can get far, but they can't get all the way to the top. In Europe, fewer than 10% of universities are run by women. In Fortune 500 companies, about 17% of lawyers are women ...

It's been around forever and everyone seems to love it (in fact, part of the reason I'm posting this is to answer some questions for people I've run into), and I can hardly believe how close I came to not making it at all.
