This is a list of languages arranged by the approximate dates of the oldest existing texts recording a complete sentence in the language. It does not include undeciphered scripts, though there are various claims without wide acceptance, which, if substantiated, would push backward the first attestation of certain languages. It also does not include inscriptions consisting of isolated words or ...

Thereâ€™s some great language learning courses out there that are free, fun, and teach you vocabulary and grammar. My first ever stab at learning Spanish was with one of these courses called Duolingo, and it was great. I really enjoyed the game like feel and I felt like I learned a lotâ€™.until I actually tried to speak to
