There is no question that digital video is garnering major consumer attention and that brands want to be a part of the experience. In order to fulfill digital video's long-term promise of delivering powerful brand advertising at scale, IAB is devoted to the advancement of the digital video medium in the global marketplace.

IAB

A banyan, also spelled "banian", is a fig that begins its life as an epiphyte, i.e. a plant that grows on another plant, when its seed germinates in a crack or crevice of a host tree or edifice. "Banyan" often specifically denominates *Ficus benghalensis* (the "Indian banyan"), which is the national tree of the Republic of India, though the name has also been generalized to denominate all figs ...
