

handwriting analysis the complete pdf

In forensic science, questioned document examination (QDE) is the examination of documents potentially disputed in a court of law. Its primary purpose is to provide evidence about a suspicious or questionable document using scientific processes and methods. Evidence might include alterations, the chain of possession, damage to the document, forgery, origin, authenticity, or other questions that ...

The "From Hell" letter (also called the "Lusk letter") is a letter that was posted in 1888 along with half a human kidney by a person who claimed to be the serial killer known as Jack the Ripper, who killed and mutilated at least five female victims in the Whitechapel area of London over a period of several months. The exact number of victims has never been proven, and the identity of the ...
