

iso 27002 version 2013 pdf

ISO/IEC 27002:2013 gives guidelines for organizational information security standards and information security management practices including the selection, implementation and management of controls taking into consideration the organization's information security risk environment(s). It is designed to be used by organizations that intend to:

ISO/IEC 27002:2013 - Information technology -- Security

The Information Security standard ISO/IEC 27002:2013 is the "Code of Practice for Information Security Controls". First it was published by the International Organization for Standardization (ISO) and by the International Electro Technical Commission (IEC) in December 2000 as ISO 17799. Today, ISO/IEC 27002 is part of the ISO27XXX series.
