mysticism sacred and profane pdf

Mysticism is the practice of religious ecstasies (religious experiences during alternate states of consciousness), together with whatever ideologies, ethics, rites, myths, legends, and magic may be related to them. It may also refer to the attainment of insight in ultimate or hidden truths, and to human transformation supported by various practices and experiences.

Overview: The Book of Mormon describes an ancient journey through the Arabian peninsula with plausible details such as directions, a verified ancient place name, geographical details, and the description of an unexpected place called Bountiful that now also appears to be verified. These details could not have been fabricated based on what was known in 1830--even modern "general knowledge" of ...
