The Weinstein effect is a global trend in which people come forward to accuse famous or powerful men of sexual misconduct. The term came into use to describe a worldwide wave of these allegations that began in the United States in October 2017, when media outlets reported on sexual abuse allegations against film producer Harvey Weinstein. The allegations were described as a "tipping point" or ...

A government budget is a financial statement presenting the government's proposed revenues and spending for a financial year. The government budget balance, also alternatively referred to as general government balance, public budget balance, or public fiscal balance, is the overall difference between government revenues and spending. A positive balance is called a government budget surplus, and ...

Sexual crime remains a matter of deep public concern and has received considerable scrutiny over the years. A pivotal event was the unprecedented reporting of sexual allegations that followed a TV documentary in October 2012 about the late Jimmy Savile leading to the Metropolitan Police forming Operation Yewtree.

My best guess is that few of us in Washington Square previously had any personal experience of direct, mass democratic assembly. The citizens' ideals of public participatory and representative flourishing, in my opinion, have withered beyond recognition under a decades-long and well-concerted financial assault (waged by liberals and conservatives alike) in which government productivity has ...
