Self-harm is not typically suicidal behaviour, although there is the possibility that a self-inflicted injury may result in life-threatening damage. Although the person may not recognise the connection, self-harm often becomes a response to profound and overwhelming emotional pain that cannot be resolved in a more functional way.

Self-harm - Wikipedia

The SELF is an upper-division undergraduate level program open to university undergraduates with a basic level of French and who have completed at least two years of university studies.
