Now, Discover Your Strengths (later updated as just StrengthsFinder) is a self-help book written by Marcus Buckingham and Donald O. Clifton, first published in 2001. At the heart of the book is the internet based "Clifton Strengths Finder," an online personal assessment test that outlines the user's strengths.

I like learning the language around a given topic to build precision and depth. When you have a language for something, it helps you to think, organize, and share knowledge more effectively. A strength, simply put, is something you do extremely well, consistently, and builds on your natural patterns ...

How to identify your strengths. Part 1: Self-Reflection December 18, 2010 | 2 Comments. I recently made a case that it's better to stick to your strengths than to do whatever you set your mind to. The main thrust of my argument was that even if you could do anything you set your mind to, it's a slower, longer, and more frustrating road to excellence if you're not using your ...
