Organizational ethics is the ethics of an organization, and it is how an organization responds to an internal or external stimulus. Organizational ethics is interdependent with the organizational culture. Although it is akin to both organizational behavior (OB) and industrial and organizational psychology as well as business ethics on the micro and macro levels, organizational ethics is neither ...

I am one of those who thinks that democracy is being destroyed. I know its fashionable to play cynical one-upmanship and say "we've never had democracy", or "it was destroyed long ago", but that game aside, I think its worth actually thinking about how, many forms of democratic expression, effective dissent and peaceful self-determination are being buried.
