Ad fontes. Ad fontes ("to the sources") was the general cry of the humanists, and as such their Latin style sought to purge Latin of the medieval Latin vocabulary and stylistic accretions that it had acquired in the centuries after the fall of the Roman Empire. They looked to golden age Latin literature, and especially to Cicero in prose and Virgil in poetry, as the arbiters of Latin style.

The history of Latin America during World War II is important because of the significant economic, political, and military changes that occurred throughout much of the region as a result of the war. The war caused a lot of panic in Latin America over economics, because they depended on the European investment capital which was shut down.

It was bound to happen sooner or later. It happened sooner. Amazon began its book-burning campaign this month by banning seventy titles. Books promoting deviant sex? No. Books on Satan worship? Nope. Books blaspheming Jesus Christ? Not a chance. But books proving that â€™six millionâ€™ didnâ€™t die ...
