cultural property, palermo convention, transnational organized crime 283 Before analyzing the implications of the facts of this case, it is worth setting forth the belief of the international community that both looting and trafficking

Greg Borgstede - Penn Law

Socio-cultural transnational activities Transnationalism is an analytic lens used to understand immigrant and minority populations as a meeting of multiple simultaneous histories. [17] Socio-cultural transnational activities cover a wide array of social and cultural transactions through which ideas and meanings are exchanged.
