Understanding Your Communication Style - Resource Sites

Communication (from Latin *communis*, meaning "to share") is the act of conveying meanings from one entity or group to another through the use of mutually understood signs, symbols, and semiotic rules.. The main steps inherent to all communication are: The formation of communicative motivation or reason.; Message composition (further internal or technical elaboration on what exactly to ...

Communication - Wikipedia

History. The field traces its lineage through business information, business communication, and early mass communication studies published in the 1930s through the 1950s.
