The Ventures series by Cambridge is a five-level, integrated skills textbook with life-skills content aimed at immigrant and refugee learners of ESL. More than a textbook, it's a program with an array of teaching materials and tools for multilevel classes. Multilevel Adult ESL has traditionally been difficult to find appropriate materials for, but a number of publishers have recently designed ...

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".
