But then as you read each volume, whether you're following the manga or just come back to it now and then. You just aren't as interested in the series as you were in the beginning. But at the same time, you still kind of like it.

We Were There, Vol. 9 by Yuuki Obata - Goodreads

The start of high school life. To young girls, that also means the start of their love lives. For brand new first-year student, Takahashi Nanami (Nana for short), it was no different... She happens to end up in the same class as the incredibly popular Yano Motoharu, who rumors say that two-thirds of all the girls are guaranteed to fall in love with.
