This was a truly terrible game from start to finish in almost every way imaginable. From the moment we arrived, to finding ourselves being asked to wait in a kitchen with two stools, through the totally bare room, the terrible puzzles, the unhelpful host, the battered props and right to the disappointing finale.

The Aviator's Study is a unique escape room experience, perfect for teenagers and adults of all ages looking for a challenge. Inspired by flying pioneer Amy Johnson, the attraction lets players pit their wits against a series of puzzles and riddles in order to break out of the study before the time runs out.
