you organize and remember the information. Focus on Main Points The first or second paragraph following a heading often contains a summary of the main points, but check other paragraphs as well. Take note of overt statements of the authorâ€™s intent, such as, â€œMy aim is â€“.â€• Try to notice the authorâ€™s style.

### **How to Remember What You Read - University of Manitoba**

Remember me when I am gone away, Gone far away into the silent land; "Remember" opens with the speaker addressing somebody. She tells this mysterious person to remember her when she is gone away, "gone far away into the silent land." The speaker is talking about death, but she's essentially using a euphemism for Death.
