women and socialism socialism pdf

Socialism is a range of economic and social systems characterised by social ownership and workers' self-management of the means of production as well as the political theories and movements associated with them. There are many varieties of socialism and there is no single definition encapsulating all of them, though social rather than individual ownership is the common element shared by its ...

The history of socialism has its origins in the 1789 French Revolution and the changes which it wrought, although it has precedents in earlier movements and ideas. The Communist Manifesto was written by Karl Marx and Friedrich Engels in 1848 just before the Revolutions of 1848 swept Europe, expressing what they termed "scientific socialism". In the last third of the 19th century, social ...
