"I am very happy that you guys released this, not only it is a great idea it was executed properly. I will use this to build a basic AMP site for a customer. i looked at the video and demo sites and was very happy with what could be done. I would really like for Mobirise team to add more widgets to your free website design software.

This is when directors or writers release details about plots, characters, back stories, or other elements they thought about adding to the story at one point but ultimately never did. Unlike All There in the Manual, however, this new information is not released as Word of God with the intention of being added to the Canon. These elements are only What Could Have Been but never were and never ...
